

Pathways to Permits

Power boating (C/B1/B2 waters)

A progression pathway that will enable adults to obtain a [permit to lead Power boating](#) activities on Scout Association C, B1 or B2 waters.

Once a B2 leadership permit has been gained, individuals can go on to work towards permits for higher graded waters by gaining the appropriate [RYA qualifications](#) and log of experience. The Scout Association water classifications are as follows.

Class C - safe inland waters which are less than 100m wide where flow causes little effect.

Class B1 - sheltered inland waters and other sheltered water where currents and tides create no real danger.

Class B2 - the sea up to one mile from the shore, but excluding more dangerous waters close inshore; more sheltered parts of estuaries; large inland lakes and lochs.

Logbook of leadership experience:

Before being assessed for a permit, the assessor will expect to see a log of your leadership experience, either in the role of assisting an existing permit holder lead a session or in the role of a session leader operating under the permit of an existing permit holder.

For future training dates and assessor details, please go to the 'Activities' section of the County website
